Notice - Swimming Pool Hygiene

Dear Members and Guests,

In view of excrement being found in club swimming pool repeatedly in recent days, such behavior not only seriously affects public hygiene, poses a health hazard to others, but also brings inconvenience to all swimmers. To ensure the health and safety of our members and guests, please be considerate and take responsibility to keep the pool area clean and hygienic. If you are bringing any babies or toddlers to swim, please ensure they wear proper swimming diapers, or you may purchase at the Club Reception if needed.

Thank you for your kind attention and co-operation.
