Swimming Pools Reopening Arrangement

Dear Members,

In response to the relaxation of social distancing measures by the government, the Club reviewed the relevant arrangements for the swimming pools immediately. We've been in close contact with the lifeguard service contractor to arrange sufficient manpower, and conducting all necessary processes of filtration and sterilisation to ensure quality of pool water are safe for our members.

Please see below opening schedule for reference.

The Club will continue to monitor the situation closely, and will notify members and post on our website once other updates are available. Thank you for your attention.
