CLUB CORNER

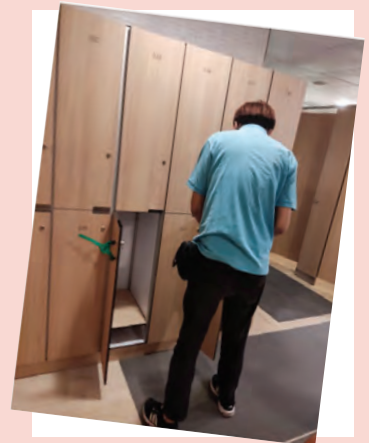

CARING • Integration

Discovery Bay Recreation Club Limited has always been committed to support good corporate citizenship, caring for disadvantaged groups, and promoting community integration. In 2012, we joined the "Caring Company Scheme", hoping to continue contributing the society, people's livelihood and the environment.

In September this year, the company began to cooperate with Caritas Lok Mo Integrated Vocational Training Centre to provide internship opportunities for trainees with mild disabilities. In addition, this program also enhances the cleaning effectiveness of the clubhouse. We are very grateful to be a part of the program that enables trainees to be open employment successfully, live independently with dignity, and contribute back to society.

If you see the intern working in the club, you might as well say hello to him and give him some support and encouragement!

訂立合適的目標 Set appropriate goals

有很多人都不懂得如何訂立目標。如果訂立過於宏大或是無法量化的目標，你很快就會因為無所適從而放棄。開始時可以分成三部分：短期目標、中期目標以及長期目標。

Many people don't know how to set goals. If you set goals that are too ambitious or unquantifiable, you will quickly give up because you feel overwhelmed. You can start by dividing it into three parts: short-term goals, medium-term goals, and long-term goals.
